Listed below are expectations pertaining to a positive partnership:

Parents/Carers have the right to:

- participate in a happy, safe, secure and satisfying environment.
- be heard and treated with respect by all members of the school community
- be informed about your child's educational progress and behaviour

Parents/Carers have the responsibility to:

- support the school in its effort to maintain a positive teaching and learning environment
- act in a safe and responsible manner
- listen to, and treat members of the school community with respect
- communicate and act on information regarding the educational and social development of your child

Parents/Carers have the right to:

- have access to staff at convenient, mutually agreed times

Parents/Carers have the responsibility to:

- make an appointment and attend at the mutually agreed time

PROTOCOL FOR ISSUE RESOLUTION

All of our students have the right to feel safe and comfortable at school. There may be times when you feel that the action of another child has infringed the rights of your own child. All school issues are to be handled by the staff of the school. We attempt to resolve these issues through:

- Calm discussions between the parties directly involved whilst respecting the dignity of each and every person
- Being prepared to actively listen to another's point of view.
- Allowing correct procedures to be followed to allow all parties to be heard

- Parents should not directly approach other students or contact their families. This only serves to compound the issues and make them more difficult to resolve. We believe that most situations can be resolved to the satisfaction of all parties.

- Under no circumstances is a parent or guardian to approach another child to discuss or chastise them because of their actions towards their own child. Please try to have a positive and open mind. We all have bad days and at times events occur which don't always appear fair. We are dealing with children and they are learning how to behave. It is often the case that the injustice was not intentional, and many times not even apparent to others.

- Approach situations in a spirit of cooperation, understanding and genuine partnership.
